

Alumatec Pacific Products™

1155 West 500 North
Centerville, UT 84014

Limited Warranty

Alumatec Pacific Products® materials shall be guaranteed to be free from defects in material and/or workmanship for a period of 1-year from the original commencement of use, substantial completion, or date of notice of completion, whichever is the first to occur:

Commencement of use date:

Store Name:

Address:

City / State

The standard limited warranty applies and is limited as follows:

1. The product has not been subject to misuse, abuse, fire, accidents, or by acts of providence over which we have no controls.
2. The product that has not been modified, altered, defaced and/or had repairs made or attempted by anyone other than Alumatec Pacific Products or its authorized representatives, and that installation of material has been completed to the factory specifications and drawings.
3. That Alumatec Pacific Products be immediately notified in writing (email) of first knowledge of any type of problem (*see email address below*).
4. Alumatec Pacific Products be given first opportunity to make any repairs, replacement, and/or corrections to the defective construction of our product. Either contacted directly or through the professional door dealer that supplied the original material and at no cost to the owner, within a reasonable period of time.
5. Alumatec Pacific Products will not be responsible for any surrounding materials that could be damaged, including any cost to associate with the replacement of defective material if surrounding material is required to be removed to complete repairs or replacement.

In the event that a problem or maintenance issues arise, please contact
Alumatec Pacific's Service Department at:

Phone: 801-298-0181
Toll Free: 877-770-0181

or via e-mail at service@alumatecpp.com

Additional Warranty

Alumatec Pacific will warrant this product for an additional _____-year(s) beyond our standard 1-year warranty period which will start upon installation and initial use of the product.

Yearly maintenance will be required by a certified Alumatec Pacific profession and licensed door dealer to keep this additional warranty in force. This will insure that all parts, components, locks, and material apertures stay within the specifications to insurer proper operation of the door.

Starting on the installation date, door will require annual maintenance. The owner (end user) will be responsible for scheduling this annual service, and for payment of service to the door dealer. Owner will be required to save and record the service receipts throughout warranty period.
