POCKET DOOR & FRAME

PD-8-SJ / PD-8-BJ / PD-8-FJ

FLUSH-HANDLE INSTALLATION

CONCEAL. PROTECT. FINISH.

A CLEAN FINISH. A SECURE POCKET.

Pre-hung pocket door and frame units conceal and protect a retracted side-folding security gate.

THREE DISTINCT JAMB MODELS

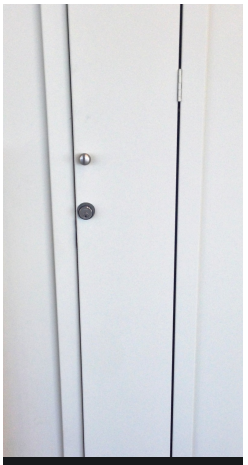

Select the frame configuration to suit the pocket opening and surrounding construction.

RETAIL / AIRPORTS / HOSPITALS

LOCKING EXAMPLES

BRONZE / LOCKING

WHITE / LOCKING

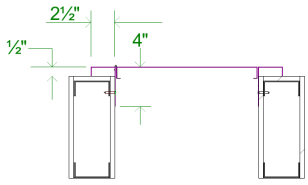

Finish examples; not model identifiers.

CHOOSE YOUR JAMB CONFIGURATION

PD-8-SJ
